FOREWORD

This report is a detailed presentation of pupil and staff statistical information for the forty school districts of the State of Utah for the 1983-84 school year.

The data in this report was gathered directly from the forty school districts at the end of the 1983-84 school year. Summarized versions of much of this data are presented in the Annual Report of The State Superintendent, Utah State Office of Education for 1983-84. This report gives the serious researcher the raw data needed for more accurate and detailed analysis.

Appreciation is extended to the school districts and Utah State Office of Education staff for the timely and accurate gathering and reporting of this data.

G. Leland Burningham
State Superintendent of Public Instruction
